ABOUT ME

I am Harold John S. Ambid, a third-year Computer Engineering student, seeking an opportunity for on-the-job training to apply my academic knowledge in a practical setting. I am a hardworking and motivated individual who is eager to learn, grow, and gain valuable experience in a professional environment. I am committed to performing tasks responsibly, adapting to new challenges, and contributing positively to any organization that offers me the chance to train.

CERTIFICATES AND AWARDS

ICPEP NATIONAL CONVENTION

CPE CHALLENGE _____ MAY 2025

We attended the ICPEP National CpE Challenge and Student Congress 2025 held at National University Fairview, Manila. Representing the CARAGA region, our team competed with participants from across the country. We reached the Top 5 in the Logic Breadboarding category, showcasing our technical skills and teamwork.

ICPEP CARAGA REGIONAL CONVENTION

CPE CHALLENGE Champion _____ MARCH 2025

I competed in a Regional Convention where my team was crowned champions, highlighting our strong teamwork and dedication. We earned top recognition for our performance in breadboarding.

ACE FOR GATE INC.

PARTICIPATION _____ NOVEMBER 2024

I actively participated during the 1st ACE FOR GATE ENGINEERING CONGRESS with the theme “Empowering CARAGA through Engineering and Technology Excellence: Pioneering Industrial Growth And Innovation:
